M'n Embarras par ALP

J'ai un p'tit lapin qu'j'appelle Ph'lip,  
San pé est blanc et long;  
Et un p'tit cat qu'j'appelle Minnet  
Qu'a des pattes coumme du v'lous.

J'les aime la même chose tous les deux,  
J'voudrais les vaie amîns;  
Mais Minnet r'garde Ph'lip dé travers  
Et dêhalle tous ses grîns.

J'voudrais les mettre à jouer ensemblye  
S'i' voudraient s'arrangi;  
Mais m'mère m'a dit si j'mets Ph'lip bas  
Qu'Minnet s'en va l'mangi!

My Trouble by ALP

I have a little rabbit that I call Philip,  
His fur is white and long;  
A little cat that I call Puss  
That has paws like velvet.

I like them the same, the two of them,  
I would like to see them friends;  
But Puss looks at Philip when he passes  
And gets out all his claws.

I would like to get them to play together  
If I they would like it arranged;  
But mother said to me if I put Philip down  
That Puss will go and eat him!
