M'n Embarras par ALP

J'ai un p'tit lapin qu'j'appelle Ph'lip,
San pé est blanc et long;
Et un p'tit cat qu'j'appelle Minnet
Qu'a des pattes coumme du v'lous.

J'les aime la même chose touos les deux,
J'voudrais les vaie anmîns;
Mais Minnet r'garde Ph'lip dé travers
Et dêhale touos ses grîns.

J'voudrais les mettre à jouer ensemblye
S'i' voudraient s'arrangi;
Mais m'mère m'a dit si j'mets Ph'lip bas
Qu'Minnet s'en va l'mangi!

My Trouble by ALP

I have a little rabbit that I call Philip,
His fur is white and long;
A little cat that I call Puss
That has paws like velvet.

I like them the same, the two of them,
I would like to see them friends;
But Puss looks at Philip when he passes
And gets out all his claws.

I would like to get them to play together
If I they would like it arranged;
But mother said to me if I put Philip down
That Puss will go and eat him!
