Jèrriais

Mary Jane adapted by Joan Tapley

Mary Jane on her brain
She has ONE little red bonnet.

Mary has beautiful blue eyes
Count them! She has TWO of them.

She has a velvet coat
It has THREE big red buttons.

Mary's cat has paws
And she counts them - there are FOUR of them.

A thumb and then four fingers -
That makes FIVE - look at them!!

Some big eggs the brown chickens laid
SIX big eggs -

Mary is nearly finished
She can count up to SIX!!
