Nos poules / En disgrâce par ALP

J'sis dans la carre! J'sis en disgrâce!
M'mèe dit qué j'sis mècheante;
Car j'ai mîns nos poules à banon
Coumme les siennes à ma tante!

Il' ont gratté dans les allées,
Travaillant d'toutes lus forches -
Fait la poudrette dans les bordeuses
Et mangi la caboche!

Mais vraînment j'en ai pas èrgret,
Les poules ont ieu l'pliaîsi -
Car j'sis bein seûse qu'i' taient ennyées
D'êt' dans chu poulailli!

Our chickens / In disgrace by ALP

I am in the corner! I am in disgrace!
Mum says that I am wicked;
Because I have put our chickens loose
Like those of my aunt!

They have scratched in the pathways,
Working with all their strength -
Making dust baths in the borders
And eating the cabbage!

But truly I have no regret,
The chickens have had the pleasure -
Because I am very sure they were bored
Of being in this chicken coop!
